The Order will remain in force until the application for a forfeiture order is finalised, and until any forfeiture order that is made is satisfied.

4. If you intend opposing the application for a forfeiture order, or you intend applying for an order excluding your interest from a forfeiture order in respect of the property, you must enter an appearance in terms of the Order. The requirements for such an appearance are set out in the Order and are also dealt with in sections 39 (3), (4) and (5) of the Act. An appearance must comply with these requirements.

5. Your attention is specifically drawn to the 14-day time limit prescribed in section 39 (4) for the entry of an appearance referred to in paragraph 4 above.

6. If you enter an appearance in terms of the Order you will be entitled to be given 14 day's notice of the application by the Applicant for a forfeiture order in respect of the property.

7. If you fail to enter an appearance in terms of the Order or to comply with the above requirements, you will not be given notice of the application for a forfeiture order and you will not be entitled to appear at the hearing of the application. In such a case the Court may grant a default order forfeiting the property to the State under section 53 of the Act.

8. You may, on good cause shown (including the non-availability of any other suitable remedy to protect your legitimate rights or interests), on 72 hours notice to the Applicant, and within 8 days of becoming aware of the Order, apply for reconsideration of the Order.

9. You are specifically advised that even if you intend applying for reconsideration of the preservation order in this case, you must in addition comply with paragraphs 4 and 5 above if you intend opposing the forfeiture application subsequently. Failure to do so can result in a forfeiture order being granted against the property by default and without further notice to you.

10. Whenever this Order states that you must deliver or serve any notice, affidavit or other process document on the Applicant, you must deliver or serve them on the Applicant at the following address:

The State Attorney, SALU Building, corner Schoeman and Andries Streets, Pretoria, 0001. Tel. No. (012) 309-1630. Fax No. (012) 328-9294. Ref: 0801/2014/Z56. (Ref. No. 801/14/Z56.)

This notice is addressed to Peter Meyer Spies an adult male residing at 70 Laver Street in Nigel and all other persons who have an interest in six bricks of unwrought gold seized by the South African Police Services (SAPS) officials on 9 May 2014 in the Magisterial District of Musina and being held under SAPS Case Docket Reference No. Musina CAS 81/05/2014 (the Property).

Take notice that:

1. The National Director of Public Prosecutions (National Director) has obtained a preservation of property order (the Order), a copy of which is attached to this notice, in terms of section 38 (2) of the Prevention of Organised Crime Act, 121 of 1998 (POCA), in respect of the property.

2. If you have an interest in the property, you should understand that it is now at risk. You are advised to obtain legal advice on whether your interest can be protected and, if so, on how to protect it.

3. You are notified that the National Director will, within 90 days of publication of this notice, apply to the High Court under section 48 of POCA for an order declaring the property forfeit to the State. The Order will remain in force until the application for a forfeiture order is finalised, and until any forfeiture order that is made is satisfied.

4. If you intend to oppose the application for a forfeiture order, or you intend to apply for an order excluding your interest from a forfeiture order in respect of the property, you must enter an appearance in terms of the Order. The requirements for such an appearance are set out in the Order and are also dealt with in sections 39 (3), (4) and (5) of POCA. An appearance must comply with these requirements.

ORDERS OF THE COURT (continued) • ORDERS VAN DIE HOF (vervolg)**ANNEXURE B*****Financial controls on expenditure incurred by the curator bonis appointed in terms of the Prevention of Organised Crime Act 121 of 1998:***

1. As soon as possible after property is attached, the *curator bonis* must assess, in consultation with the representative of the National Director of Public Prosecutions, the costs and other implications of holding the property and determine the most appropriate management of each asset, including the cost of administering the asset and any possible depreciation in its value. In particular, the *curator bonis* must consider:

1.1 Whether a motor vehicle subject to a credit agreement should be returned to the credit provider, realised early with the consent of the defendant or otherwise, stored for later realisation or whether the Defendant's ownership equity in the vehicle should be bought out;

1.2 whether a business is viable and the best strategy for its management, including an early sale of the business or its stock.

1.3 whether it is more advantageous to store movables or release them to the Defendant, subject to suitable arrangements to preserve their value.

1.4 whether fixed property can be sold with the consent of the owner;

1.5 whether a sale of movable assets by private treaty or to a person dealing in such property is not a more cost-effective method of realising the asset than at public auction.

Method of disposing of assets:

2. The *curator bonis* must use the most cost-efficient method of disposing of an asset and, if necessary, must actively market the asset and solicit offers.

3. The *curator bonis* should only resort to a sale at public auction where there is no less expensive or effective method of realising the asset.

4. Where there is an existing offer for the asset, any sale at public auction shall be subject to a reserve price equal to the amount of the existing offer.

Service providers engaged by the curator bonis in the performance of his mandate:

5. The *curator bonis* must either:

5.1 Engage a service provider approved by the National Director of Public Prosecutions at a tariff agreed between the National Director of Public Prosecutions and that service provider.

5.2 engage a service provider at a rate that does not exceed the approved tariff set out below, or

5.3 obtain prior written quotations from 3 similar service providers before selecting the most appropriate quotation, and in his next quarterly report thereafter, provide the quotations and reasons for selecting the service provider at that tariff.

6. If the *curator bonis* intends to appoint a service provider to manage a going concern, the *curator bonis* must obtain the prior approval of the National Director of Public Prosecutions, failing which the manager's fees shall be assumed to be for the *curator bonis*' account.

7. The *curator bonis* must obtain the prior approval of the National Director of Public Prosecutions before engaging the services of any attorney or advocate for either litigious or non-litigious work, failing which the legal fees shall be assumed to be for the *curator bonis*' account.

Quotations and accounts by service providers:

8. If a quotation is required, it must itemise the various services to be rendered and show the rate or other method used to calculate the amount of the quotation.

9. In relation to auctioneers, the quotation must stipulate:

9.1 Any fee for removing the assets, and the rate at which this is calculated;

9.2 any storage fees, and the rate at which this is calculated;

9.3 any fee for inspecting or valuing the assets, and the basis on which it is calculated;

9.4 any fee for cleaning the assets, and the rate at which this is calculated;

9.5 any advertising costs;

9.6 the fees of the auctioneer, and the basis on which these are calculated.

10. Any account by a person who renders services to a *curator bonis* in the execution of the order must:

In the *ex parte* application of: THE NATIONAL DIRECTOR OF PUBLIC PROSECUTIONS, Applicant, and ROBERT GEORGE BIGGS, Respondent

In re: Toyota Land Cruiser with Reg. No. DGR 558 EC

NOTICE IN TERMS OF SECTION 39 (1) OF ACT 121 OF 1998

This notice is addressed to the Respondent and to all persons who have an interest in the property mentioned in the Preservation Order. It is meant to advise such persons of some of the options available to them.

Take notice that:

1. The National Director of Public Prosecutions ("the National Director") has obtained a Preservation of Property Order ("the Order") in terms of section 38 (2) of the Prevention of Organised Crime Act 121 of 1998 ("POCA") against the property mentioned in the Preservation Order. A copy of the order is attached to this notice.

2. If you have an interest in the property you should understand that it is now at risk because the National Director intends applying to the Grahamstown High Court ("the Court") for a forfeiture order within ninety (90) days of the publication of the order in the *Government Gazette* ("the *Gazette*"). The order will remain in force until:

2.1 A forfeiture order granted by this Court in respect of the property subject to the order remains unsatisfied; or

2.2 the National Director fails to apply for a forfeiture order within ninety (90) days after publication of the order in the *Gazette*; or

2.3 the order is set aside by the Court before expiry of ninety (90) days from date of its publication in the *Gazette*.

ORDERS OF THE COURT (continued) • ORDERS VAN DIE HOF (vervolg)

3. You are advised to obtain legal advice to ascertain if you can protect your interest and, if so, how to protect it. If you wish to oppose this application, or to apply for an order excluding your interest in the property from the operation of the forfeiture order that may be made, you must give notice of such intention in terms of the order attached to this notice. The requirements of such notice are dealt with in section 39 (3), (4) and (5) of POCA. An appearance must comply with these requirements.

4. If this notice has been served on you or delivered to you, you must within fourteen (14) days after that date give notice of your intention to oppose this application or to apply for an order excluding your interest in the property from the operation of the forfeiture order that may be granted. If you fail to do so within that time your interest in the property may be defeated by a forfeiture order granted by default in terms of section 50 and 53 of POCA.

5. If this notice has not been served or delivered to you, you must within fourteen (14) days after the date of publication of the Preservation Order in the *Gazette* give notice of your intention to oppose this application or to apply for an order excluding your interest in the property from the operation of the forfeiture order that may be granted.

6. For a notice of intention to oppose this application to be valid, you must:

6.1 Serve or deliver the original to the Registrar of the Court.

6.2 Serve or deliver a copy to Dullabhs, 5 Betram Street, Grahamstown.

6.3 State therein an address within eight (8) kilometres of the Court at which you will accept notice and service or delivery of all documents relating to this application; and

6.4 attach to the notice an affidavit in which you set out:

6.4.1 full particulars of the identity of the person giving the notice;

6.4.2 the nature and extent of his or her interest in the property concerned;

6.4.3 whether you intend to oppose the making of the forfeiture order, or to apply for an order:

6.4.3.1 excluding your interest in that property from the operation from the Order; or

6.4.3.2 varying the operation of the order in respect of that property.

6.4.4 whether you admit or deny that the property concerned is an instrumentality of an offence referred to in Schedule 1 of POCA, or is the proceeds of unlawful activities;

6.4.5 the facts:

6.4.5.1 on which you intend to rely in opposing the making of a forfeiture order or applying for an order referred to in 6.4.3.1 and/or 6.4.3.2 above;

6.4.5.2 on the basis of which you admit or deny that the property concerned is an instrumentality of an offence referred to in Schedule 1 of POCA, or is the proceeds of unlawful activities.

7. If you give notice in terms of the order and comply with the above requirements for the notice you will be entitled to be given fourteen (14) days' notice of the application for the forfeiture order.

8. If you should fail to give notice of your intention to oppose validly and in good time, or if you should not have received or become aware of this notice, you may yet have grounds to apply in terms of section 49 of POCA for leave of the Court to give late notice of your intention to oppose.

9. Any person affected by the Preservation Order may apply to the Court to have that order set aside in the circumstances mentioned in section 47 (1) of POCA. In addition, the Court is obliged by the provisions of section 47 (1) (b) of POCA to set aside or rescind the Preservation Order when the proceedings against the Defendant concerned are concluded. However, section 50 (4) of POCA also provides that the validity of a forfeiture order is not affected by the outcome of the criminal proceedings in respect of an offence with which the property is associated.

10. The order in respect of immovable property may be rescinded or set aside by the Court at any time of the application by a person who is affected by it.

11. A Forfeiture Order must also be published in the *Gazette* in terms of section 50 (5) of POCA. If a Forfeiture Order should have been made before you become aware that it is to be sought, you may have grounds on which to apply to this Court in terms of section 54 of POCA for the exclusion of your interest from the operation of the Forfeiture Order already made, or for an order varying the operation of the Forfeiture Order in respect of the property. You will then have to comply with the procedural requirements of section 54. You will have only forty-five (45) days from the date of publication of the Forfeiture Order in the *Gazette* in which to make an application to the Court for relief.

12. If a Forfeiture Order or any other order under section 53 (1) (b) of POCA should be made by default, any person whose interest in the property concerned is affected by the order will have the right, within twenty (20) days after acquiring knowledge of the order, to set the matter down for variation or rescission of the order by the Court and the Court is empowered, upon good cause shown, to vary or rescind the default order or to give some other direction on such terms as it deems appropriate.
